ANZAC Day

A large crowd attended the ANZAC Day March on Wednesday. Hiedee and Alisha laid a wreath and all students laid a poppy to show their respect for our soldiers. It was great to have students from other schools join us for the march including School of the Air and Broken Hill High School.

Music Lessons

Irish Whistle with Craig Freeman will be starting again on Wednesday and Mr Nejaim will be teaching guitar on Thursday. Mr Freeman will be attending the Music Festival which will be a great opportunity for the students to meet him in person.

Mrs Lawrence 2

Some of you may remember my friend Mrs Lawrence who visited our school and taught dance and music to the students. She has published a trilogy of books called "Surf Turf", "Dogga Surfing Cowboy" and "Dogga Hangs In". I have purchased a set for the library. See the attached Laurieton newspaper article.
