### Bats VC

On Tuesday the students participated in a video conference on bats and other nocturnal animals with author Aleesha Darlison and zookeeper Charlotte Hulme from the Western Plains Zoo in Dubbo. Aleesha read her book titled 'Warambi' which is about a micro bat. Charlotte showed us a variety of nocturnal animals including a ring-tailed possum, a green tree frog and a shingle back lizard.

### Father's Day

The students enjoyed making presents for their Dad's last week. I hope all the Dad's had a nice relaxing Father's Day.

### Presents

On Friday the students were given a Coles guitar each. They were sent to the school by Miss Belinda's Aunt who thought that all the students would enjoy having one.

### Active After School Activities

Tuesday afternoon will be the last session for Active After School Activities this term.

### Sound Circus

On Thursday, Sound Circus will be here at school. Ivanhoe school will be visiting and doing a workshop in the morning and then having a BBQ lunch with us. Our students will be having their workshop in the afternoon.

### Assembly

Our last Assembly for this term will be held on Friday morning at 9:00am. The children have been hard at work practicing a play to perform. Everyone Welcome!

### P&C Meeting

There will be no P&C Meeting on Friday. Our next meeting will be held at the beginning of Term 4. Date to be discussed.
