VICTOR HARBOUR EXCURSION

Last week the whole school went on an excursion to Victor Harbour SA. The students had an amazing time and there were a lot of 'firsts' for some. We visited the SA Whale Centre, Urimbirra Wildlife Park, Granite Island (tour of the island and the Penguin Centre), Murray Mouth and Greenhills Adventure Park.

Many forms of transport were used on the excursion such as: plane, mini-bus, horse drawn tram, Steam Ranger diesel train and the Big Duck Boat Tour. We were fortunate enough to sight two whales that put on a real show for us. Seals and dolphins were also spotted during the Big Duck Boat tour. A big thank you to the P&C and the White Cliffs Community Association for their generous contributions towards the excursion.
