Congratulations to Mackenzie and Anton who were inducted as Captain and Vice-Captain at Assembly last week.

It was great to see so many community members attending.
Thank you to Mrs Hayes for making the cake.

MUSIC FESTIVAL ACTIVITIES

On Friday 16th May the students were treated to an impromptu concert by the Karen Lynne Bluegrass Circle Band. William, who is in Year 2, is the youngest member of the band and wowed the students with his fantastic banjo playing skills.

The students decorated their pushbikes for the Lantern Parade and helped Mr Leckie to decorate his uniquely constructed bike. Griffin won the prize for the best decorated bike.

The students opened the festival on the Friday night by singing Advance Australia Fair while playing percussion instruments. Laura and Alexis both performed at the Friday night walk up concert.

REFORMS TO P&C FEDERATION

The NSW Parliament has introduced legislation to reform the NSW Federation of Parent and Citizens Associations, which has suspended operation pending Supreme Court action. While these reforms will not affect the day-to-day operation of individual school P&C's, they will introduce a new executive structure which will ensure the Federation operates as a modern and representative body on behalf of school P&C Associations. Each school's P&C Association will be asked to vote for councillors and delegates who will represent their electorate at the Federation's Annual General Meeting and councillors who will serve on the Federation's Board of Management. More information is available on the Department's website at: <http://www.schools.nsw.edu.au/gotoschool/a-z/involvement.php>.
