VISIT TO WILCANNIA

Last Tuesday students travelled to Wilcannia to attend the Life Education Van. The students read Harold's Diary and learnt lots of ways to stay healthy. Year 6 students, Mackenzie and Anton, had a special treat and had a tour of Healthy Harolds Home as this was their last time they would be visiting Healthy Harold. Thank you to Michelle from Life Education for presenting a great workshop and to St Therese's Community School for hosting the Life Education Van.

While in Wilcannia, the students also visited the Police Station for a tour. They were "locked" in the cells, had their finger prints taken and had the opportunity to try out some of the Police equipment such as handcuffs, helmets, vests and shields. Thank you to Tristan for showing us around and we either hope to visit again later in the year or have them visit us here at school.

Thank you to Roslyn and Miss Belinda for driving the students.

TRANSPORT VIDEO CONFERENCE

On Thursday the students participated in a "Transport - past and present" Video Conference presented by The Powerhouse Museum.

GUITAR

There will be no guitar this week as Mr Nejaim is in Adelaide.

FOR SALE

P&C sheep manure is **only** available from the school.

\$10 a bag

(Please note: any fundraising for Brenda's flight home is not associated with the P&C).

Quote

"Life is like a bicycle, in order to keep your balance you must keep riding."

Have a great week

Julie
